Hygiene adopting activities:

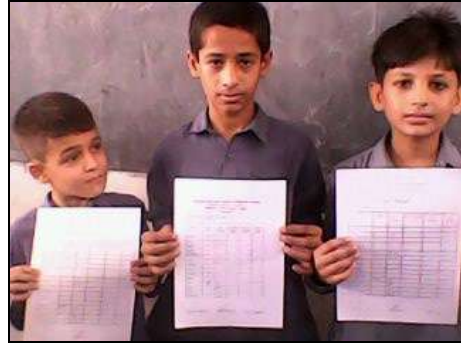

On 8th June teachers showed practically brushing teeth and washing hands while students brought tooth brushes for practical. Secondary classes' teachers attended the seminar which held on 30th May at Carlton hotel. In the seminar Peer Mazhar-ul-Haq (Education Minister) in his wonderful speech said that by being practical about cleanliness such as washing hands and brushing teeth schools would be able to overcome dropout and short attendance problems. After Mrs Seema Asif gave a lecture about cleanliness, teachers showed brushing and washing hands while doing the same students enjoyed very much.

Mothers' meeting on 12th June 2012:

Mothers' meeting was held on 12th June at 12:30 pm sharp. Mrs. Seema Asif and teachers happily welcomed the mothers. They were acknowledged by the monthly test results of their children and also informed about the co-curricular activities and progress. Teachers requested all the mothers to pay attention towards the punctuality, attendance and homework of their children. If these aspects are not improved or considered properly then their children will receive warning. On the whole, the meeting was successfully held and mothers assured their consideration to teachers.

Swimming Day celebrated on 14th June 2012.

Mrs. Seema Asif, the V.Principal arranged a portable swimming pool in the hot summer weather for nursery class students. This swimming day brought smile to their faces. Teachers arranged all students of nursery class in group of 8 students. They all enjoyed very much.

The toughness of hot weather shed away from their faces consequently, the swimming pool day was held excitedly and merrily and teachers supported the efforts very well.
