### ➤ CO-CURRICULAR ACTIVITY (ELECTION):-

Studies have found that prior involvement in student politics while in school seems to be a good predictor of adult political engagement. The overall goal of the education program is to introduce and familiarize the students of all grade levels with voter registration and voting procedures, as well as encourage students to exercise their right to vote once they become eligible. After a nail biting wait, we are pleased to announce the head boy/girl team for 2019/20. Congratulations to **Ashar Maqsood** and **Razia Ibrahim** on being elected head boy and head girls respectively.

It was a close run election with multiple members giving speeches to a full assembly in the hope of persuading the rest to vote for them. All of the candidates did an amazing job, using a variety of persuasive tactics in the hope of being elected. Tension (for the candidates) then mounted as each child went away to consider who they would like for their head boy/girl. Votes were cast and the count began! It was a close run race but the children had spoken, they had elected their new team.
